

**GPS Solutions MANAGEMENT SERVICES AGREEMENT
FAXON ACADEMY**

THIS MANAGEMENT SERVICES AGREEMENT (the “Agreement”) is made and entered into on July 1, 2025 by and between **FAXON ACADEMY**, a Michigan public school academy (the “Academy”) formed under Part 6A of the Revised School Code, being MCL §380.501 to §380.507, as amended (the “Code”) and **GPS Solutions, LLC**, a Michigan limited liability company (“GPS”).

WHEREAS, the Academy is a charter school organized as a public school academy under the Code. The Academy has been issued a charter contract, dated July 1, 2025 (the “Contract”), by the **Saginaw Valley State University Board of Control** (the “Authorizer”) to organize and operate the Academy. The Authorizer is the statutory authorizing body. The Code permits a public school academy to contract with persons and entities for the operation and management of the public school academy.

WHEREAS, the Academy and GPS desire to create an enduring educational partnership whereby the Academy and GPS shall work together to develop and bring about systems of educational excellence and services to the Academy based on GPS’s vision of school design, GPS’s management principles, and the Educational Program (defined below).

THEREFORE, the parties hereby agree as follows:

**ARTICLE I
Relationship of the Parties and Other Matters**

1. Authority. The Academy represents that (a) it is authorized by law to contract with a private entity for the provision of management and operational services to the Academy, (b) it has been issued the Contract from the Authorizer to organize and operate a public school academy, (c) it is authorized by the Authorizer to supervise and control the Academy, and (d) it is vested with all powers necessary or desirable for carrying out the Educational Program (defined below) contemplated in this Agreement. To the extent permitted by law, the Academy hereby authorizes and grants to GPS the necessary authority and power to perform under this Agreement.

2. Services; Educational Program. The parties agree that GPS, to the extent permitted by and in conformity with applicable laws, shall provide all labor, materials, and supervision necessary for the provision of the management and operational services as specifically set forth on the attached Exhibit A to the Academy (the “Services”).

GPS shall provide Services to the Academy so the Academy can carry out the educational goals, curriculum, method of pupil assessment, admissions, policy and criteria, school calendar and school day schedule, and age and grade range of pupils to be enrolled, educational goals and methods to be used to monitor compliance with performance of targeted educational outcomes, as adopted by the Academy Board of Directors (“Board”) and as incorporated into the Contract

through approval of the Terms and Conditions included in the Contract (collectively, the “Educational Program”).

3. Compliance with the Academy’s Contract. GPS agrees to perform its duties and responsibilities under this Agreement in a manner that is consistent with the Academy’s obligations under the Academy’s Contract issued by the Authorizer. The provisions of the Academy’s Contract shall supersede any competing or conflicting provisions contained in this Agreement.

4. Compliance with Contract. GPS shall make information concerning the operation and management of the Academy, including without limitation the information described in the Contract, available to the Academy as deemed necessary by the Board in order to enable the Academy to fully satisfy its obligations under the Contract. GPS shall comply with the requirements of the Contract to the extent GPS is performing services on behalf of the Academy.

5. Relationship of the Parties. GPS is not a division or any part of the Academy. The Academy is a corporate and governmental entity authorized under the Code. The Academy is not a division or any part of GPS. The relationship between the parties hereto was developed and entered into through arms-length negotiation and is based solely on the terms of this Agreement.

6. GPS as Independent Contractor; Agents. The parties to this Agreement intend that the relationship of GPS to the Academy is that of an independent contractor, and not an employee of the Academy. No agent or employee of GPS shall be determined to be an agent or employee of the Academy, except as expressly acknowledged, in writing, by the Academy. Notwithstanding the foregoing, GPS and its employees, to the extent they have a legitimate educational interest in so doing, are hereby designated as agents of the Academy for the limited purpose of allowing them access to educational records under the Family Educational Rights and Privacy Act, 20 U.S.C. §1232(g), during the Term of this Agreement (defined below).

During the Term of this Agreement, the Academy may disclose confidential data and information to GPS, and its respective officers, directors, employees and designated agents to the extent permitted by applicable law, including without limitation, the Individuals with Disabilities Education Act (“IDEA”), 20 USC §1401 et seq., 34 CFR 300.610-300.626; Section 504 of the Rehabilitation Act of 1973, 29 USC §794a, 34 CFR 104.36; the Michigan Mandatory Special Education Act, MCL 380.1701 et seq.; the Americans with Disabilities Act, 42 USC §12101 et seq.; the Health Insurance Portability and Accountability Act (“HIPAA”), 42 USC 1320d – 13200d-8; 45 CFR 160, 162 and 164; and social security numbers, as protected by the federal Privacy Act of 1974, 5 USC §552a; and the Michigan Social Security Number Privacy Act, MCL 445.84.

GPS shall be solely responsible for its acts, the acts of its agents, employees, and those subcontractors who are contracted through GPS.

7. **School Records.** The financial, educational and student records pertaining to the Academy (collectively, the “School Records”), are property of the Academy. Such records are subject to the provisions of Michigan’s Freedom of Information Act, except for some data which may be contained in such records, which may be redacted or withheld as permitted by applicable law, which shall be specifically cited in the event of withholding or redaction. Except as may be prohibited or limited by the Contract or applicable law, the School Records shall be available to the public, the Board, and the Authorizer for their review and are subject to inspection and copying to the same extent that records of public schools are subject to inspection and copying pursuant to applicable law. All School Records shall be stored, in physical form, on-site at the Academy’s facility or be directly accessible at the Academy facility. Such records shall be made physically or electronically available upon request made by the Board or the Authorizer. All records pertaining to teacher and administrator certification, as well as a copy of the employee handbook shall also be maintained physically on site or directly accessible at the Academy’s physical facility.

On an annual basis, GPS agrees to provide the Board the same information that a school district is required to disclose under section 18(2) of the State School Aid Act of 1979, MCL 388.1618, for the most recent school fiscal year for which the information is available. Within thirty (30) days of receipt of this information, the Board shall make the information available on the School’s website homepage, in a form and manner prescribed by the Michigan Department of Education. The defined terms in section 503c of the Code, MCL 380.503c, whichever is applicable, shall have the same meaning in this Agreement. GPS shall make available to the Authorizer and to the public the information required under MCL 380.503c.

GPS shall make information concerning the operation and management of the School, including without limitation the information described in the Contract, available to the Academy as deemed necessary by the Board in order to enable the School to fully satisfy its obligations under the Contract. Additionally:

- (1) GPS agrees that it shall observe Board policies and applicable law regarding the confidentiality of Covered Data and Information. Covered Data and Information (“CDI”) includes paper and electronic student education record information and includes, without limitation, “education records” as defined under FERPA, 34 CFR § 99.1. CDI also includes any new records created and maintained by GPS under this Agreement using CDI.
- 2) GPS shall not use or disclose CDI received from or on behalf of the Academy except as permitted or required by this Agreement and/or applicable law.
- (3) Upon termination or other conclusion of this Agreement, GPS shall return all CDI to the Academy.
- (4) GPS shall develop, implement, maintain and use appropriate administrative, technical and physical security measures to preserve the confidentiality, integrity and availability of all CDI received from, or on behalf of, the Academy or its students. These measures will be extended by contract to include subcontractors used by the GPS.

(5) GPS, within two business days of discovery, shall report to the Board any use or disclosure of CDI not authorized by this Agreement. GPS's report shall identify: (i) the nature of the unauthorized use or disclosure, (ii) the CDI used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what GPS has done or shall do to mitigate any deleterious effect of the unauthorized use or disclosure, and (v) what corrective action GPS has taken or shall take to prevent future similar unauthorized use or disclosure. GPS shall provide such other information, including a written report, as reasonably requested by the Board.

8. Certain Prohibitive Conduct Regarding Personally Identifiable Information.

Except as permitted under the Code, GPS shall not sell or otherwise provide to a for-profit business entity any personally identifiable information that is part of an Academy student's education records. If GPS receives information that is part of an Academy student's education records, GPS shall not sell or otherwise provide the information to any other person except as permitted under the Code. For purposes of this section, the terms "education records" and "personally identifiable information" shall have the same meaning as those terms in section 1136 of the Code, MCL 380.1136.

9. No Related Parties or Common Control. The parties hereby agree that none of the voting power of the governing body of the Academy or the Board shall be vested in GPS or its directors, members, managers, officers, shareholders, or employees. Further, the Academy and GPS are not, and shall not become: (a) members of the same controlled group, as that term is defined in the Internal Revenue Code of 1986, as amended (the "IRS Code"); or (b) related persons, as that term is defined in the IRS Code.

In interpreting this Agreement and in the provision of the services required hereunder, GPS shall not have any role or relationship with the Academy that, in effect, substantially limits the Academy's ability to exercise its rights, including cancellation rights, under this Agreement. As required by the Academy's Articles of Incorporation and Bylaws, the Board may not include any director, officer, or employee of a management company that contracts with the Academy. In furtherance of such restriction, it is agreed between the Academy and GPS that none of the voting power of the governing body of the Academy will be vested in GPS or its directors, members, managers, officers, shareholders, and employees, and the Academy and GPS will not be related parties as defined in Treas. Reg. 1.150-1(b).

10. School Leader. GPS shall identify and appoint a School Leader to administer the Educational Program at the Academy (the "School Leader"). The School Leader shall hold all required certifications as required by the Code. The School Leader shall be an employee of GPS, who may be disciplined and/or terminated by GPS in its sole discretion. GPS shall notify the Board prior to the termination of the School Leader. GPS shall have the authority, consistent with applicable laws, to select and supervise the School Leader and to hold the School Leader accountable for the success of the Academy. GPS shall empower the School Leader with the authority to select and hold accountable the teachers in the Academy. GPS shall consult with the Board concerning the selection of, hiring, duties, and performance of the School Leader prior to the placement and/or removal of the School Leader at the Academy or at any other time at the request of the Board.

11. Criminal Background Checks. GPS agrees that it shall not assign any of its employees, agents, or other individuals to perform any services under this Agreement except as permitted under Sections 1230, 1230a, 1230b and related provisions of the Code pertaining to criminal background, criminal history, and unprofessional conduct checks. GPS shall require that the results of the criminal background and criminal history checks are received, reviewed, and used (subject to a verification process) by the School Leader acting on behalf of the Academy and/or the Board, only as permitted by law to confirm that the individual does not have a criminal history and to evaluate the qualifications of the individual for his/her assignment. Evidence of such background checks and unprofessional conduct checks required by law shall be stored on site, in a secure location and in physical form, at the Academy or be directly accessible at the Academy facility.

12. Non-Compete Agreement. No member of the staff at the Academy shall be subject to any covenant not to compete or other employment restriction as part of the terms of his or her employment with GPS for the Services. GPS shall not execute contracts with its staff assigned to the Academy (including by way of example and not limitation, teachers, administrators, counselors, and the like) that contain noncompete and/or nonsolicitation agreements of any nature.

13. The Board. The Board is the governing body with oversight responsibilities over the Academy. The parties acknowledge that throughout this Agreement the term “Board” and the term “Academy” are sometimes used interchangeably in some sections for the sole purpose of readability based on the nature and subject-matter of the article/section. This Agreement must be approved by the Board and executed by a duly authorized member of the Board (on behalf of the Academy), and by so executing this Agreement the Board acknowledges and accepts all obligations and responsibilities related to the Board as set forth in this Agreement.

14. Availability of Funds. Notwithstanding any other term or provision in this Agreement to the contrary, GPS shall not be, directly or indirectly, liable to any third party for any cost or expense incurred by the Academy, and GPS shall only be required to perform its responsibilities under this Agreement to the extent that GPS has received such revenues from the Academy pursuant to the terms of this Agreement. GPS shall, however, remain solely liable to the Academy for any cost it commits the Academy to without the Board’s approval in the event such cost is not authorized in the Academy’s budget or is beyond the amount anticipated in the Academy’s budget or any amendment thereto.

15. Lease and Loans. If the Academy and GPS enter into a lease, execute promissory notes or other negotiable instruments, or enter into a lease-purchase agreement or other financing relationship, then such agreements must be separately documented and separately approved. In addition, all such agreements must comply with the Contract, as well as any applicable Authorizer and Saginaw Valley State University School/University Partnership Office (“SUPO”) policies.

16. Nondiscrimination. GPS and any and all subcontractors of GPS shall not discriminate against an employee or applicant for employment, and in this regard shall comply

with all applicable federal and state laws. A breach of this covenant shall be a material breach of this Agreement.

ARTICLE II

Term

1. **Term.** The Term of this Agreement shall be a two (2) year period, beginning July 1, 2025, and ending June 30, 2027 (the “Term”). Except as otherwise provided below, this Agreement may be terminated pursuant to Article VII below. The Agreement shall automatically renew on the same terms if neither party provides the other with written notice of intent not to renew on or before April 1st of the termination year. The term of this Agreement shall not exceed the length of the Contract. If the Academy’s Contract issued by the Authorizer is suspended, revoked or terminated, or a new charter contract is not issued to the Academy after expiration of the Contract, this Agreement shall automatically be suspended or terminated, as the case may be, on the same date as the Academy’s Contract is suspended, revoked, terminated or expires without further action of the parties.

ARTICLE III

Obligations of the Academy

1. **Governance.** The Board shall be responsible for the governance and oversight of the Academy. Nothing in this Agreement shall interfere with the Board’s duties under the Contract. The Academy’s duties under the Contract shall not be limited or rendered impossible by action or inaction of GPS.

2. **Good Faith Obligation.** The Board shall exercise good faith in considering GPS’s recommendations relative to the Educational Program, and other issues including, but not limited to, policies, rules, regulations, procedures, curriculum, and budgets, subject to the constraints of law and requirements of the Contract.

3. **Academy Funds.** The Board shall determine the depository of all funds received by the Academy. All funds received by the Academy shall be deposited in the Academy’s depository account. Signatories on the depository account shall be members of the Board properly designated annually by Board resolution. All interest or investment earnings on Academy depository accounts shall accrue to the Academy.

4. **Board Policy Authority.** The Board has exclusive authority and responsibility for all policies that will govern the operation of the Academy, including but not limited to, policies relative to the conduct of students while in attendance at the Academy or enroute to and from the Academy, regulations governing the procurement of supplies, materials and equipment, academic, fiscal, and school climate policies.

5. **Legal Counsel.** The Board shall select and retain independent legal counsel to advise it regarding its rights and responsibilities under the Contract, this Agreement and applicable law.

6. **Educational Consultants.** The Board may retain an educational consultant or consultants to review the operations of the Academy and the performance of GPS under this Agreement, and the cost to employ such consultant or consultants shall be paid by the Board. GPS shall cooperate with the educational consultant or consultants and will provide those individuals with reasonable and prompt access to records, facilities, and information as if such requests came from the full Board. Only the Board shall have authority to select, evaluate, assign, supervise, or control any educational consultant employed by the Board.

7. **Academy Employees.** The Board may employ such employees as it deems necessary, and the cost to employ such employees shall be paid by the Board. The Board retains authority to hire its own employees for the purpose of interfacing and working in conjunction with GPS on certain accounting and compliance matters as deemed appropriate by the Board and who may in the future be given responsibility for some tasks given to GPS under this Agreement upon mutual agreement of the parties as to the specific tasks and financial effect on this Agreement.

8. **Audit.** The Board shall select and retain an independent auditor to perform the annual financial audit in accordance with the Contract and applicable state law. All of the Academy's financial and other GPS-related records will be made available to the Academy's independent auditor. GPS and its staff will cooperate with the Academy's independent auditor.

9. **Budget; Chief Administrative Officer.** The Board has exclusive authority and responsibility for establishing, approving and amending a budget in accordance with the provisions of the Uniform Budgeting and Accounting Act, MCL 141.421 et seq, that has adequate resources to fulfill its obligations under the Contract, including but not limited to its oversight of GPS, lease payments, the organization of the Academy, negotiation of the Contract and any amendments, payment of employee costs, insurance required under the Contract and this Agreement, the annual financial audit and retention of the Board's legal counsel and consultants. In addition, the Board is responsible for determining the budget reserve amount included as part of the Academy's annual budget, for implementing fiscal policies that will assist the Academy in attaining the stated budget reserve amount and for approving necessary amendments to the budget to reflect necessary deviations from the adopted budget. If GPS determines that a budget amendment is necessary, it shall inform the Board of the anticipated deviations and the reason why such deviations from the approved budget are necessary. The budget may be amended when deemed necessary by the Board. Pursuant to the Uniform Budget and Accounting Act, MCL 141.422b, the Board is responsible for designating the Chief Administrative Officer for the Academy. If the Academy employs a superintendent, then the Board may designate the superintendent as the Chief Administrative Officer of the Academy. If the Academy contracts with a superintendent, then the Board shall designate a Board member as the Chief Administrative Officer of the Academy. Neither GPS nor any owner, officer, director, employee, or agent of GPS shall be designated as the Chief Administrative Officer of the Academy, but a GPS employee may assist a Board member who is the Chief Administrative Officer in carrying out their responsibilities.

10. **Governmental Immunity.** Only the Board can determine when to assert, waive, or not waive its governmental immunity. Nothing in this Agreement shall predetermine the Board's course of action in choosing to assert or not assert governmental immunity.

11. **Rules and Procedures.** The Board shall adopt reasonable rules, regulations, and procedures applicable to the Academy. GPS shall assist the Board by recommending reasonable rules, regulations and procedures, and also by enforcing the rules, regulations and procedures approved by the Board.

ARTICLE IV Evaluations of GPS

1. **Evaluations.** GPS is accountable to the Board for the performance of students in attendance at the Academy and the operation of the Academy in accordance with the Agreement and the Contract. The Board will regularly, and not less than annually by June 30th of each year, evaluate the performance of GPS to provide GPS with an understanding of the Board's view of its performance under this Agreement. The Board will determine the format to conduct this evaluation. To assist in the evaluation process, the Board may, in writing, request GPS to reasonably provide written reports to the Board on any topic of Academy activity or operations and which are consistent with this Agreement. GPS shall adopt, implement, and maintain a performance evaluation system for all required personnel as required by applicable law.

ARTICLE V Compensation and Reimbursement of Costs

1. **Compensation for Services.** During the term of the contract, the Board shall pay GPS an annual fee (the "Fee") equal to 10% of the total aid received from the State of Michigan, pursuant to the State School Aid Act of 1979, as amended.

2. **Reasonable Compensation.** The parties agree that the Fee amount is reasonable compensation for the provision of the Services. As necessary, the Academy and GPS agree to make adjustments to the Fee, in amounts subject to mutual agreement of the parties, as necessary because of factors such as differences in actual and projected enrollments, differences between actual and projected operating expenses and funding changes mandated by federal, state, or municipal sources.

3. **Time and Priority of Payment.** The compensation due to GPS pursuant to Paragraph 1 of this Article shall accrue monthly as the service is provided; however, it shall be paid in eleven approximately equal monthly installments beginning in October and ending in August of the following academic year. Such installment amounts shall be due and payable no later than the last day of the month. GPS will cooperate with the Academy to modify the exact date of any monthly installment payment to coordinate with the time of the funds received by the Academy. The compensation due to GPS shall be calculated for each academic year at the same time as the State of Michigan calculates the State School Aid. For each academic year, the

installment payments will be based on the Board-approved budget or amended budget until the second Count Day, when adjustments shall be made for the final student count.

4. **Reimbursement of Costs.** In addition to the Fee, the Academy shall reimburse GPS for all actual costs reasonably incurred and paid by GPS in providing the Services specifically related to the Academy. Such costs include, but are not limited to, all employment costs of GPS employees assigned to the Academy, other expenses for equipment, software, supplies, food service, transportation, special education, psychological services, MTSS/Intervention services, medical services, and other educational services whether provided by GPS employees or pursuant to an independent contractor arrangement. To the extent that GPS subcontracts for such services, GPS shall obtain the Board's written approval of the terms of the subcontract. GPS shall invoice the Academy for reimbursement of all employment costs of GPS employees assigned to the Academy. GPS shall invoice the Academy for reimbursement of all other costs with a detailed receipt of goods or services provided. In paying such costs on behalf of the Academy, GPS shall not charge an added fee or mark-up of costs for supplies, materials, or equipment procured by GPS on the Academy's behalf. All supplies, materials, and equipment procured for the Academy by GPS shall be inventoried by an acceptable method of inventory. An inventory list of Academy equipment shall be maintained to clearly establish which property belongs to the Academy.

a. GPS shall be paid a fee (the "Payroll Fee") in the amount of three (3%) percent of the total gross salary and wages (exclusive of benefits) paid to staff employed by GPS and assigned to the Academy. This fee does not apply to special education and MTSS/Intervention staff hired as independent contractors. All costs associated with providing such staff shall be subject to separate agreement; and

b. Marketing and development costs paid by or charged to the Academy shall be limited to those costs specific to the Academy program and shall not include costs for general marketing and development of GPS. Costs or expenses of the management and operation of GPS, including its rent, shall not be charged to or reimbursed by, the Academy. The Academy shall not reimburse the costs for the time of GPS's principals, directors, officers, or shareholders in providing Services to the Academy other than services provided directly to students at the Academy; such costs shall be separately broken out on applicable invoices. Any costs reimbursed to GPS that are determined by the independent audit not to be reasonably incurred on behalf of the Academy for Services specially related to the Academy shall be promptly returned to the Academy by GPS. No corporate costs or "central office" personnel costs of GPS shall be charged to, or reimbursed by, the Academy, and such corporate costs or "central office" personnel costs shall be paid out of the management fee paid by the Academy.

When possible and desired, the Board may advance funds to GPS for such costs before such costs are incurred (rather than reimburse GPS after the expense is incurred). GPS shall provide to the Board proper documentation and accounting of all advanced funds or reimbursements prior to the Board meeting where ratification is requested, and such accounting shall be ratified by the Board at its next regularly scheduled meeting. All items acquired with Academy funds including, but not limited to, instructional materials, equipment, supplies,

furniture, computers, and other technology, shall be owned by and remain the property of the Academy.

5. **Other Institutions.** The Academy acknowledges that GPS may enter into agreements similar to this Agreement with other public or private educational schools or institutions (the “Institutions”). GPS shall maintain separate accounts for reimbursable expenses incurred on behalf of the Academy and for reimbursable expenses incurred on behalf of the Institutions. GPS shall only charge the Academy for expenses incurred on behalf of the Academy.

6. **Review of Budget.** As part of its Fee, GPS shall prepare and propose an annual budget for the Academy, and the Board shall review, revise, and timely approve the annual budget all as more fully described in Exhibit A. Both parties acknowledge that the Board has sole discretion over the budget. GPS shall implement the Board-approved budget with integrity.

7. **Procurement Policies.** The Board hereby retains the obligation, as provided in Section 1274 of the Code, to adopt written policies governing the procurement of supplies, materials, and equipment to the Academy. Unless otherwise prohibited by law, GPS shall directly procure all supplies, materials, and equipment provided that GPS complies with Section 1274 of the Code as if the Academy were making these purchases directly from a third party supplier, and the Board’s written policies promulgated thereunder related to such items. In paying for supplies, materials, and equipment on behalf of or at the request of the Academy, GPS shall not charge an added fee or mark up with the cost of such supplies, materials, or equipment purchased from third parties.

ARTICLE VI Proprietary Information

1. **Academy’s Rights to Curriculum and Educational Materials.** The Academy shall own, without restriction, all proprietary rights to curriculum and educational materials that: (a) are or were directly developed by the Academy and paid for with Academy funds; or (b) are or were developed by GPS at the direction of the Board using Academy funds for the specific purpose of developing such curriculum or educational materials. However, the Academy shall not obtain proprietary rights in any proprietary or licensed education models which the Academy has been granted a license to use by third parties.

2. **GPS’s Rights to Curriculum and Educational Materials.** GPS shall own, without restriction, all curriculum and educational materials, and all other proprietary information owned or developed by GPS, except as set forth in this Article. GPS acknowledges that GPS’s educational materials and teaching techniques used by the Academy are subject to disclosure under the Code and the Freedom of Information Act.

3. **Non-Disclosure of Proprietary Information; Remedy for Breach.** Except as required by applicable law, including the Freedom of Information Act, MCL 15.231 *et. seq.* (“FOIA”), this Agreement, or the Contract, during the Term of this Agreement and continuing for three (3) years after the expiration or earlier termination of this Agreement, both parties hereby

agree that they shall not use or disclose to any third-party, directly or indirectly, for any purpose whatsoever, any proprietary information or materials without the prior written consent of the other party.

If a party uses or discloses such proprietary information in violation of this Section 3, the disclosing party shall (a) be liable to the other party for all damages, including, but not limited to, lost profits resulting from the breach, and (b) be obligated to reimburse the non-disclosing party for its legal costs and reasonable attorney fees related to the enforcement of this Section 3.

ARTICLE VII

Termination

1. **Termination by GPS.** GPS may terminate this Agreement prior to the end of the Term in the event the Academy fails to remedy a material breach within the required time frames below. A “material breach” in this context includes, but is not limited to, (a) the Academy’s failure to timely remit the Fee, all payroll costs, or any reimbursement due to GPS, and/or (b) the Academy’s action or decision-making that is reasonably deemed by GPS to be substantially inconsistent with the recommendations of GPS relative to the Educational Program or the Services. In the event of a breach that involves the failure by the Academy to advance all funds required for payroll, the Academy shall have ten (10) days after notice from GPS to either (i) remit the funds, or (ii) reach a mutually acceptable agreement with GPS related to the payment of the funds. The Academy shall have thirty (30) days after notice from GPS to remedy all other material breaches.

Failure by GPS to (a) declare a breach, (b) place the Academy on notice thereof, or (c) exercise or exert any remedy available to GPS under this Agreement or applicable laws, shall not be deemed a waiver of GPS’s right and remedies whatsoever.

2. **Termination by the Academy.** The Academy may terminate this Agreement prior to the end of the Term in the event that GPS fails to remedy a material breach within the required time frames below. A “material breach” in this context includes, but is not limited to: (a) failure by GPS to reasonably account for its expenditures; (b) failure by GPS to pay the Academy operating expenses as required under this Agreement (provided funds are available); (c) failure by GPS to substantially follow policies, procedures, rules, regulations, budget or curriculum duly adopted by the Board which are not in violation of the Contract, applicable laws or this Agreement; (d) failure by GPS to provide the Services as required by this Agreement; and/or (e) any action or inaction by GPS that places the Contract in jeopardy of revocation, suspension or termination, as evidenced by written notification from the Authorizer, the SUPO, Superintendent of Public Instruction, or other authorized body or official.

In the event of a breach that involves the failure by the GPS to pay all funds required for payroll, GPS shall have ten (10) days after notice from the Academy to either (i) pay the funds, or (ii) reach a mutually acceptable agreement with the Academy related to the payment of the funds. The Academy’s payment of payroll shall be solely for the purposes of maintaining staff at the Academy and shall not be deemed to create an employee/employer relationship. GPS shall have thirty (30) days after notice from the Academy to remedy all other material breaches.

Upon expiration or any termination of this Agreement, all advances or billable costs incurred consistent with this Agreement and the Contract, if any, paid to GPS shall be immediately repaid to the Academy, unless otherwise agreed in writing by GPS and the Academy.

Failure by the Academy to (a) declare a breach, (b) place GPS on notice thereof, or (c) exercise or exert any remedy available to the Academy under this Agreement or applicable laws, shall not be deemed a waiver of the Academy's right and remedies whatsoever.

3. **Revocation or Termination of Contract.** If the Academy's Contract issued by the Authorizer is revoked or terminated, this Agreement shall automatically terminate on the same date as the Academy's Contract is revoked or termination without further action of the parties.

4. **Amendment Caused by Academy Site Closure or Reconstitution.** In the event that the Academy is required (i) to close an Academy site pursuant to a notice issued by the Department under Section 507 of the Code, MCL 380.507; or (ii) to undergo a reconstitution pursuant to Section 507 of the Code, MCL 380.507, and the Contract, and such closure of an Academy site or reconstitution causes an amendment to or termination of this Agreement, the parties agree that this Agreement shall be amended or terminated to implement the Academy site closure or reconstitution, with no cost or penalty to the Academy, and GPS, including any subcontracted person or entity of GPS, shall have no recourse against the Academy, the Authorizer or any third party affiliated with or engaged by the Authorizer for implementing such site closure or reconstitution.

5. **Change in Law.** If any federal, state or local law or regulation, or court or administrative decision, or attorney general's opinion (collectively referred to in this Agreement as the "applicable laws") has a substantial and material adverse impact (as reasonably determined by the party suffering the impact) on the ability of the impacted party to carry out its obligations under this Agreement, then the impacted party, upon written notice, may request a renegotiation of this Agreement. If the parties are unable or unwilling to successfully renegotiate the terms of this Agreement within ninety (90) days after the notice, and after making good faith efforts which shall include, but not be limited to, the use of a third party arbitrator and/or alternative dispute resolution process, the impacted party may terminate this Agreement as of the end of the then-current academic year.

6. **Transition.** In the event of the expiration of this Agreement or any termination prior to the end of the Term of this Agreement, GPS shall provide the Academy "reasonable assistance" for up to ninety (90) days to assist in the orderly transition to another service provider or to a regular school. For the purposes of this section, the term "reasonable assistance" shall mean that GPS, without additional cost, shall reasonably assist the Academy to:

- a. Close the books on the then-current fiscal quarter. GPS shall have the business and financial records through the end of the quarter complete and ready to hand off to the Board and successor management company, if applicable, within ten (10) business days after termination;

b. Organize and prepare student records for transition to the successor management company, if applicable, within ten (10) business days after termination;

c. Organize and prepare all School Records, including, without limitation, Board minutes, third party contracts, correspondence relating to Academy business, notices, and other relevant Academy records and delivering them to the Academy's main office within ten (10) business days after termination;

d. Provide for the orderly transition of employee compensation and benefits to the new educational service provider without disruption to staffing; and

e. Complete all reporting and compliance requirements attributable to final year of operation within ten (10) business days after termination.

The parties may agree upon other transition services to be provided by GPS, at a mutually agreed upon fee and documented in a separate contract for services.

The purpose of this Exhibit A is to set forth and define the Services to be provided by GPS pursuant to the Management Services Agreement.

PART ONE

EDUCATIONAL MANAGEMENT SERVICES

Except as otherwise provided in this Agreement and subject to the oversight of the Board, GPS shall be responsible for all of the management, operation, administration, and education at the Academy, which includes, but is not limited to, all of the following obligations:

1. GPS shall implement and administer the Educational Program (defined in Article I, Section 2 of the Agreement), consistent with Board policy and applicable law, including administration of any and all extra-curricular and co-curricular activities and programs, and shall be responsible for recommending and acquiring instructional materials, equipment and supplies approved by the Board. Modification of the Educational Program may only occur with the prior written consent of the Board and, if required, an amendment to the Contract which requires Authorizer approval.

2. GPS may perform functions other than instruction, including but not limited to purchasing, professional development, and administrative functions off-site (i.e., not on the Academy property), unless prohibited by the Contract or applicable laws. Student records, which are the property of the Academy, shall be maintained by GPS at the Academy's site.

5. GPS shall administer and provide the Educational Program in a manner which shall meet the requirements imposed under the Contract and applicable law unless such requirements are waived.

6. GPS shall implement pupil performance evaluations that permit evaluation of the academic progress of each Academy student. GPS may subcontract these services if it determines that it is necessary and appropriate for the provision of services to students with special needs. Such services shall be provided in a manner that complies with the Contract and all applicable laws. To the extent that GPS subcontracts these services, the Board shall approve the terms of such subcontracts prior to being responsible for reimbursement for such costs.

8. GPS shall perform any function necessary or expedient for the administration of the Academy consistent with the Educational Program, the Contract, and the Authorizer's Policies regarding Educational Service Providers.

9. GPS may subcontract any and all aspects of the Services it agrees to provide to the Academy. However, GPS shall not subcontract the management or oversight of the Educational Program, except as specifically permitted in this Agreement and the Contract.

The Services shall be funded by the Academy budget, and neither GPS nor the Academy shall be permitted to expend Academy funds on the Services in excess of the amount set forth in the Academy Budget.

This report shall be in a form and format acceptable to the Board and shall explain any variances from the approved budget. The report shall contain recommendations for necessary budget corrections and shall be prepared at least seven days in advance of the Board meeting to be included in the Board packets sent to Board members, and its designees, in preparation for Board meetings. GPS shall provide special reports as necessary to keep the Board informed of changing conditions.
