

**Employee Compensation
Information
For Calendar Year
2022 Faxon
Academy**

Faxon Academy has contracted with GPS Solutions to act as the Education Services Provider. GPS Solutions provides the Academy with administrative services, operation management services, and human resource services. The Academy does not have any direct employees, as all staff are employed by GPS Solutions and not the Academy. GPS Solutions is providing the allocable salary, benefits and retirement of the school's Superintendent employed by GPS Solutions. The Superintendent has other responsibilities with GPS Solutions and the information presented is the portion of the Superintendent's compensation allocated to Faxon Academy.
